TCI’s *History Alive! The Medieval World and Beyond* raises historical literacy and develops a love of learning history. Students make connections with their own lives while mastering social studies standards.

**With hands-on activities, students:**
- Dramatize life in medieval European towns to experience aspects of life such as guilds and medical treatment
- Visit ancient Mayan sites to learn about Mayan life and culture
- Take a walking tour of Renaissance Florence, the cradle of the Renaissance

**Teachers can:**
- Support language arts instruction in the social studies curriculum with reading, writing, speaking, and listening activities, as well as Reading and Writing Toolkits
- Measure student mastery with rigorous assessments that cover comprehension, skills, and critical thinking
- Modify instruction for English language learners, learners with special education needs, and enrichment
- Integrate technology into classroom instruction with the Teacher Subscription and Student Subscription

**Test-drive with a 30 Day Trial**
With the Teacher Subscription, teachers can get an entire class interacting with one computer, an internet connection, and a projector. Students thrive on the immediate feedback they get using the Student Subscription’s Interactive Student Notebook and Reading Challenges.

1. Watch a lesson demonstration
2. Learn about strategies behind the program
3. Learn how this program supports the Common Core
Classroom Technology

An online Teacher Subscription makes teaching, assessing, and managing classes easy. You’ll discover great content, interactive whiteboard technology, and engaging classroom experiences—aimed at helping students actively discover information.

Presentations
- Hands-on activities for students
- Embedded tools to use with or without an interactive whiteboard

Assessment Tools
- Students complete assessments online
- Student results viewed by class trends or by individuals
- Ability to grade and comment on notebook assignments online

Differentiated Instruction
- English language learners
- Students with special needs
- Advanced learners

Common Core
- Oodles of Common Core activities to address reading, writing, language, and speaking and listening

A Student Subscription creates an interactive learning environment that supports and extends classroom activities. Students access their Text, Interactive Student Notebook, and game-like Reading Challenges.

Student Text
- Easy to understand “chunks” of text
- In-line vocabulary
- Text-to-audio
- English or Spanish

Interactive Student Notebook
- Online writing and drawing activities based on the Common Core

Game-like Reading Challenges
- Measures reading comprehension
- Instant feedback on students’ answers

Glossary Cards
- Social studies vocabulary terms presented in a fun online format

Comprehensive Approach
History Alive! takes a comprehensive approach to teaching social studies—hands-on activities, online learning, reading, and assessments all support and build off one another.
