## **TCI For Blended Learning**

At TCI, we believe learning should not be confined to the classroom. Our flexible curriculum is aligned with the state Social Studies and ELA standards and allows teachers to seamlessly transition from physical classrooms to blended learning environments using the various resources and tools in our digital platform. We are committed to making sure that our curriculum and products keep teachers and students ahead in the ever-changing world of education.

**Video Lessons** for K-5 provide students with clear visual instruction so they can easily follow along when doing distance learning. These activities are also available in PDFs.

**Blended Learning Resources** are located at the program level, content level, and lesson level to provide teachers with extra support as they plan for distance or blended learning.
